

## **PET FIRST AID + SAFETY STAFF TRAINING**

### **OPTION 1: FULL CERTIFICATION COURSE, APPROX. 4 HOURS**

**Recommended for groomers, day care staff, dog walkers, sitters, trainers, senior staff, managers.** This hands-on, full certification course is designed for canine professionals and can be further customized to meet your needs. Topics and skills taught include: injury prevention, vital signs, wound care, CPR, choking prevention and management, approach and restraint techniques, first aid kits, seasonal hazards, signs of stress/managing panic attacks, transmittable diseases, disaster/emergency preparedness and more.

**Cost: \$100pp for first 10 people, \$50pp for each additional person.** Includes a color first aid book and printed handouts for each student. Each student will get hands-on time with CPR mannequins. All students will receive a certification card\* from the Emergency Care and Safety Institute.

**Class Size: 8 person min, 20 person max (space permitting)** to allow time for hands-on training on mannequins. Well behaved dogs are welcome to attend, and it's often beneficial to practice certain skills on them if well tolerated (such as how to find pulse).

\*Certification cards expire after 2 years.

### **OPTION 2: DOG SAFETY COURSE, APPROX. 2 HOURS**

**Recommended for retail staff and customers.** This demo-style class covers vital signs, CPR, choking skills, wound care, seasonal safety & travel safety, first aid kits, emergency preparedness and more.

**Cost: \$45pp, minimum 12 people.** If there's more than 15 employees, unlimited additional participants can attend at no charge (So my max fee would be \$675).

**Class size:** 12 person min, no max (space permitting).

### **ADDITIONAL SERVICES**

**Custom professional pet first aid kits, quote on request.**
